Easter Joy Is Now Creating Joy!

Thank you, OSLC members, for your generosity with this project! We were able to donate over 80 outfits, that ranged from newborn to size 16, for foster children in Chippewa County!

Thank you for both the monetary donations (we did the shopping for you) and the clothing donations. The following is a thank you that we received from DHS.

Just wanted to share our THANK YOU with anyone involved in your recent donation. I am so appreciative that you reach out to me, which now is annually. Please pass on our thanks. We will be making a Facebook post also on the DHS page. (From: Geri Sedlacek, Chippewa County Department of Human Services)

Thank you to those of you that purchased items, gave money and created beautiful blankets needed for Lutheran World Relief Baby Care Kits. In addition, thank you to Thrivent for the Action Team Grant of \$250 that will help us purchase items needed to complete this project.

Mark your calendars for Wednesday, May 15th, at 12:30, when we will gather all the needed items and assemble the 20 Baby Care Kits. Please let one of us know, if you are able to help.

Following the assembling of the kits, plan to stay for 2:00 Deacon Coffee.

Thank you! Deb Olson, Bonnie Buckles and Dawn Pearson

Help Wanted Hello OSLC family!

Some of you may not know that I schedule volunteers. Please consider how you want to be part of the "big help". Many of you already do help and that is much appreciated. We are in great need of ushers (greet everyone attending services, collect offering, put offering in the money envelope after service and put in the drop safe) To learn about other job opportunities or to make sure I have you in my contacts (I don't want to leave anybody out) text me at 715-829-9555. God bless you.

Toni Eckardt

Help Needed:

For the past year Curt and LaMae Rohland have been providing the communion set up and clean up by themselves. Time to give them a break and train a few more people. It involves approx. 1/2 to 1 hour of set up on Saturday (at a time of your convenience) and approx. the same amount of time on Sunday after 2nd service to clean up and put things away. If we can get a group of volunteers (training will be provided), we hope to schedule volunteers only 3-4 Sundays per year. This will be from Sept. thru May. We will continue to use disposables at the park services.

Please let Donna Meade or Lisa in the office know if you would be willing to help. Hopefully we can get a team together and trained this Spring to start in the Fall.

Water is Life - Well Project

Malawi's population is 18.6 million. More than 50% of the population is under 18 years old. 1 in 3 people don't have clean water to drink. Deep-drilled wells can provide clean water for thousands of people in a single area. Solar well designs can withstand more effects of climate change and extreme weather disasters.

Noisy Offering

In response to the synod's recent visit to Malawi, and in light of the effects of climate change on weather, health, and agriculture there, the bishop is inviting the people, congregations, and friends of the Northwest Synod of Wisconsin to partner with the Evangelical Lutheran Church in Malawi in the building of 2 new solar-powered, deep drilled borehole wells. The goal is to raise \$40,000 by June 2024.

Scripture Meditation

John 4:13-15 - Jesus said to her, "Everyone who drinks of this water will be thirsty again, but those who drink of the water that I will give them will never be thirsty. The water that I will give will become in them a spring of water gushing up to eternal life." The woman said to him, "Sir, give me this water, so that I may never be thirsty or have to keep coming here to draw water."

BISHOP'S INITIATIVE

WATER IS LIFE

WELL PROJECT

With the Evangelical Lutheran Church in Malawi

Malawi's population is 18.6 million. More than 50% of the population is under 18 years old.

65% of rural areas have access to clean water services.

1 in 3 people don't have clean water to drink.

Thousands of children die each year due to water-borne illnesses. This worsens after natural disasters.

73% of health care centers don't have access to sanitation facilities.

Access to clean water increases safety and education for women and girls.

Deep-drilled wells can provide clean water for thousands of people in a single area.

Solar well designs can withstand more effects of climate change & extreme weather disasters.

GOAL:
\$40,000 raised by Synod Assembly - June 7-8, 2024

PROJECT:
Assist ELCM in building two new solar powered deep drilled wells.

Gifts for this initiative can be given via check, online, or on the synod app.

Just Because Meals

Sometimes we want to help someone who might be struggling with health or other issues, but we don't know exactly how to approach the situation. Our Saviour's has organized something called "Just Because" ministry. We use a website called "Take Them a Meal"

which allows volunteers to sign up to bring a meal to someone who would appreciate it. Jared checks with the family to learn preferences and allergies. Then he emails everyone on the volunteer list and people sign up to take a meal (homemade or takeout). Sometimes two people do it together. Often it's not only the food that is uplifting to a family, but also the opportunity to visit for a few minutes when the food is dropped off.

Please email Jared if:

You would like to be added to the volunteer list to bring a meal to someone.

You are on our current list, but your email address has changed.

Prayer Shawls are Available

Do you know of someone who needs to be wrapped in prayer? Perhaps they are facing a serious illness or have been going through a difficult time. Prayer shawls are available for those people. Please let the church office or a deacon know of the need.

Also, Knot Just Knitters would welcome help knitting or crocheting the shawls. The pattern is very easy and can be done while watching TV or chatting with a friend. The specific yarn used for prayer shawls has been purchased and can be picked up at church. Please email Marilyn Murphy at mjmurphy1970@yahoo.com if you have any questions or would like to start working on a prayer shawl.

Are you interested in volunteering with a refugee family?

World Relief is looking for teams of 6-10 people to partner with new refugee families for the first 6 months of their arrival. "A Good Neighbor Team (GNT) is a small group of people from a local church that partners with World Relief to welcome, walk alongside, and offer long-term reciprocal friendships with a newly arrived refugee family." Most families are expected to find housing within the city of Eau Claire due to the public transportation that is available there. At this time, refugees are most likely to be from the Democratic Republic of Congo and Myanmar/Burma and arrive sometime between now and September. Please let Deacon Kari know if you are interested, so we can determine if there is sufficient interest to form a team.

Have further questions? Email Deacon Kari at deaconkari@oslccf.net

As you have read in the newsletter the Noisy Offering in May is for the Bishop's Initiative Well Project, "Water is Life".

As usual we are collecting the regular noisy offering every Sunday, but since the "quarter tube" was such a hit last fall we are using that also. How many quarters can we collect, how many times can we fill the tube. Let's find out!! We will keep you posted!!

The tube will be available during regular services during May and it will move on the last Sunday of the month to the Park. It will also be available in the office during the week.

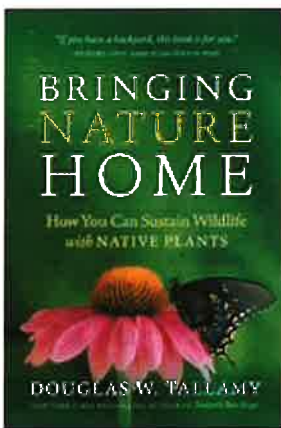

We raised \$500 in quarters last Fall, can we beat that??

Little Pantry

Thank you for the regular donations that keep appearing to stock the Little Pantry at the Mansfield entrance. The most popular items continue to be granola or breakfast bars, easy-to-microwave meals, nuts, fruit snacks, cans of soup with a pull-top, meat sticks, etc. Hand warmers also seem popular on extra chilly days.

To support this effort, you may place your donations directly in the Little Pantry, or leave them with Pastor Karen who has a designated corner of her office for such items, or order on-line and have your donation shipped to the church address: 1300 Mansfield St.

Book buddies will be meeting on Sunday May 19th at 6:30pm at Kristi Lund's Home. We will be discussing the book: Bringing Nature Home: How You Can Sustain Wildlife with Native Plants by Douglas W. Tallamy.

As development and habitat destruction accelerate, there are increasing pressures on wildlife populations. In his book, Tallamy reveals the unbreakable link between native plant species and native wildlife—native insects cannot, or will not, eat alien plants. By acting on Tallamy's practical and achievable recommendations, we can all make a difference.

Please join us even if you have not read the book. Contact the church office or Marilyn Murphy at

mjmurphy1970@yahoo.com for questions or if you would like to be included in future emails.

As you have noticed the windows in the Sanctuary are installed!!

We have several sets of the old windows left and they are available on a first come, first serve basis. The large window is \$100.00, and the small window is \$50.00. Right now, they are being stored in the garage. As we will need the space for the Park Worship trailer, the deadline to purchase and take windows will be May 19th. If you need help transporting the windows, we can help with transport! Please call the office with any questions at 715-723-6048

May Meeting for KJK

Knot Just Knitters will be meeting at Our Saviour's on Wednesday, May 22 at 10:00 AM. They will be organizing their closet to see what they can create from the many donations they've received and begin planning for summer meetings. Then they will head out to a local restaurant for lunch. If you would like any more information about this group, please email Marilyn Murphy at mjmurphy1970@yahoo.com. New crafters are always welcome!

Newsletter News

Summer is right around the corner!! At least we hope so!!!

At the end of May I will be sending out a June/July newsletter. Things normally slow down at the office during this part of the summer, so one newsletter seems right.

Then in July I will send out the August Newsletter at its regular time.

Then in August I will be out of the office for a total of 11 days, 5 working days, traveling to Alaska on a cruise with 7 friends. I will return on August 26th and will be doing the September newsletter that afternoon. So I ask that if you have things that you can send or share with me early in August that would be wonderful. I leave at noon on the 14th and will be working on the newsletter before I leave. If that is not possible I will look for them in my emails when I return to the office.

I will be sending out new or updated information every Monday Morning in Staying in Touch. The Prayer List will be published every Tuesday Morning. Orders of Service will be published on Thursdays.

You have all been wonderful getting things to me earlier than the normal deadline of the 18th of the month. I appreciate that more than you know. I will send out an email reminder the first week of August just as a reminder. Thank you so much for your understanding and help!!

Lisa

JULY 17
AUGUST 7
@ 6:30PM

This past winter a small team of members began meeting to plan and discuss opportunities for stained glass windows in the sanctuary. You may recall from the history of OSLC, the original windows in the sanctuary were to be temporary and eventually replaced with real stained glass windows. Thanks to many donations and contributors, we did upgrade the windows to clear, energy efficient windows with the idea that stained glass inserts could beautify the sanctuary and provide the stories through glass art as potential for spiritual nourishment for all ages.

A successful work of this committee will be designs that represent our church community. We will be having open conversation during the middle hour on May 5th to share what we have learned, ideas that we've considered, and to listen to your cares and concerns about this project as we move forward. This is not a church-funded or budgeted project, but an opportunity to share gifts in memory of, in honor of or anonymously and therefore will be a process over time. If you have any questions regarding this project, please reach out to one of the following committee members and join us on May 5th. If you've visited a church and have examples of meaningful ideas, please don't hesitate to share.

Stories play a vital role in our faith-based learning and stained glass windows are one way that reinforce these teachings. As a team, we're considering the following stories from the new and old testament that illustrate the diverseness of God's children and creation:

OLD TESTAMENT	NEW TESTAMENT
Creation - Genesis 1:11-13, 20-25	Nativity - Luke 2:8-20
Noah's Ark - Genesis 8:10-11 and 9:12-13	Jesus' Baptism - Mark 1:9-11
Joseph and his amazing coat - Genesis 37:3-4	Jesus gathered with children - Mark 10:13-16 or John 10:11
Parting waters of the Red Sea; Miriam Dancing on the far side- Exodus 15:20-21	Feeding the 5000 - John 6:5-13
Ruth gleaning wheat in the fields - Ruth 2:2-3	Holy Week
Prophets - scale of justice - Amos 5:21-24 and Micah 6:8 OR Psalm 150	Pentecost - Acts 2:1-4
	Lydia - Acts 16:14-15 and 40
	God's diverse people - Galatians 3:28-29
	Tree of Life; leaves healing of the nations - Revelation 22:1-2

If Bible stories and messages can change lives, how can our windows help bring a message to people and visitors of OSLC? Please feel free to reach out to one of our team members and join us May 5th for discussion.
